Fun with the Arts

Featuring local renowned artist

Michael Toombs

\$20 per child per session
(July 30th or August 6th).

Enroll your child in both sessions for \$35.

Two Art Projects:

Each Saturday will consist of the following two art projects, which all youth will participate in.

Picture Panel Coloring: Youth will create and design images using an assortment of color markers and color pencils. They will be taught to use colors and visualize dimensions in order to create beautiful pictures. **Artwork to take home!**

Miniature Clay Magnets: Youth will use sculpty clay to produce mini masks from a selection of photos we will provide or they can design the mask from their own imagination. Once the photos are completed, the youth will be able to paint and decorate their creations. **Artwork to take home!**

Computer Replacement Relief Fund

ArtsTech is helping families in Joplin, Missouri. Edna, one of our happy residents, sent us an email along with a photo stating how happy she was with her new computer.

We still need your support to complete our goal of securing 200 computer systems, we're accepting working monitors, keyboards, mice, cash donations for transporting equipment to Joplin, MS Windows operating systems, and MS Office software are still needed.
