LAST MONDAYS!

A Newsletter Special Edition

Tickets on sale now, \$10 for the MyARTS "Breathe" Fundraiser, First Friday, October 7th!

Joplin Computer Replacement Relief Effort

ArtsTech shipped 66 refurbished computers the past month, using volunteers in their personal vehicles. Many of our neighbors in Joplin have received their computers and expressed how happy and relieved they are that people thought so much of them to help replace something that keeps them connected with family, friends, and the world.

Special thanks to the University of Missouri-Kansas City, Intechra in Coppell, Texas, the National Cristina Foundation, MyFreightworld-ed.com, the United States Department of Agriculture, members of the 9th Annual Human Sexuality Education Conference in Kansas City, Missouri, and those of you, who have donated individually.

ArtsTech is grateful to all the people that have donated time, money, and equipment to this relief effort. Thank you again for your support. Keep Donating!

Cristo Rey Work Study Interns

Jose Lopez and Lisabeth Salazar, both juniors from Cristo Rey High School, have been assigned to ArtsTech on Thursdays and are currently working as tech assistants in the Computer Redistribution Department with Alex Villasenor. What do they like about working at ArtsTech? Jose: "I get real world experience and gain technical knowledge." Lisabeth: "There are all kinds of things that need to be done. You never get bored, and everyone is nice to work with."

Jose's enjoys working out and his future plans include joining the Marines after high school. Lisabeth loves soccer and boxing and plans to join ROTC then go to college to become a veterinary technician.

ART FLEA KC will be CLOSED

October 15 and November 19

Re-opening on December 17, 10AM - 3PM

FRIDAY, OCTOBER 7, 2011
5-9:00 PM
1522 HOLMES STREET
KANSAS CITY, MISSOURI 64108

Tickets can be purchased at the door, \$10 per person

THE FOUR ELEMENTS Earth, Fire, Water, and Air are the principals of creation because they are in everything. They are abstract, pure in element and the voice for this year's theme. This year's event will allow the viewer to be a part of the connection to nature and the elements through the artwork created by the MyARTS young artists. Can the artwork equal the beauty found in nature? Come see for yourself and submerge yourself in the artwork and just...BREATHE.

The event's activities will include a silent auction featuring multiple art pieces created by the youth from each studio, hors d'oeuvres, beverages, and live entertainment by the band Monta At Odds and the aerial group, Voler-Thieves of Flight and a fashion show featuring the unique MyARTS t-shirt line.

Planning Committee Meeting

On Monday, September 19, members of the Human Sexuality Education Planning Committee met at ArtsTech to discuss meeting topics, keynote presenters, exhibitors and evaluations for the 13th Annual HIV/AIDS, STDs and Human Sexuality Education Regional Conference: National HIV/AIDS Strategies: Where do we go from here scheduled for June 6, 7 and 8, 2012 at the Airport Hilton Hotel. This year's conference will have four strands, teaching techniques, abstinence only, connection of the national health standards to human sexuality education and Health disparities. There will also be a silent auction. Those interested in attending, "Save the Date!"
