OUR MISSION

ArtsTech's mission is to better the lives of underserved urban youth through the development of artistic, technical, health, and educational skills. ArtsTech accomplishes this by operating a center for youth enterprise that provides educational and health services as well as hands-on training in fine arts and digital literacy. Additionally, ArtsTech builds and manages collaborative public/private partnerships that benefit the community.

The STEAM Project

The Steam Project is a partnership between ArtsTech and KC Parks & Rec where we collaborate and bring STEAM programming to young women in the inner city.

STEAM is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking.

Employment & Training

The ArtsTech Employment and Training program is a new work experience initiative to serve the urban youth, ages 14-24.

ArtsTech is currently accepting applications to determine eligibility and to teach youth necessary job readiness skills before placement in a ArtsTech Studio.

ArtsTech - is a center of youth empowerment & creative thinking.
